The purpose of Academic Advising
Advising is a personalized educational experience, empowering you to explore, articulate, and achieve your academic, career, and life goals.

Academic Advising Objectives
By working with your academic advisor during your first year at UNI, you will:

1. Discover your strengths, skills, and abilities.
2. Based on your strengths, understand where you are heading in life, school, career and why. (your purpose)
3. Combine your strengths and purpose to create an action plan to guide you through to graduation.

Advising Themes for Your First Year
1. Discover: Identify your strengths, skills and abilities
2. Dream: Develop an attitude of possibility
3. Design: Create an action plan

Making It Happen: What you need to do

1. Transitions
   - Attend your advisor’s Meet & Greet
   - Make a time management plan (168 hours/week)
     - 24-30 study hours/week needed
     - 8-15 hours on/off campus employment
   - Evaluate your personal study habits; identify and practice effective study skills
   - Identify and use academic resources to establish study habits with the goal of achieving 3.0 G.P.A. or above this year.
2. Connections
   - Continue scheduling appointments to meet individually with your advisor
   - Introduce yourself to your professors, don’t be afraid to ask a question
   - Participate in activities (residence hall, student organization, intramurals, Volunteer UNI, the UNI Traditions Challenge, etc.)
   - Explore the Cedar Valley community (Main Street, Hartman Reserve, George Wyth Park, Waterloo Black Hawks hockey, etc.)
3. Resources
   - MapWorks: Complete early for a chance to win $1000 tuition scholarship
   - Majors in Minutes: A fun speed-dating approach to learning about majors
   - Learn how to use your advisement report for academic planning and course registration.
   - Use the UNI Online Catalog and departmental websites to explore majors and four-year plans of study.

Graduation Goal: 3-2-2
UNI research has shown students who are above a 3.0 G.P.A., two leadership experiences, and two pre-professional experiences were the most competitive for employment. See Career Services in 102 Gilchrist Hall.
