

Preparing for Majors in Minutes

What is Majors in Minutes?

Majors in Minutes is an annual opportunity to help you explore UNI majors. This event uses a speed-dating style approach to connect you with senior students in each UNI major.

Event Details:

- When: Tuesday, October 18th between 7:00pm-9:00pm (this is a come and go event)
- Where: Maucker Union Ballrooms

How does Majors in Minutes work?

Senior students from each major will have a roundtable for you to sit down and visit. This time is for you to hear what the seniors have to say about their experiences in the major, as well as ask questions to get a student perspective on majors that you are considering. When the 8 minute rotation ends, you can choose to move to a different table (*or stay if you want to continue your conversation!*). You can visit as many majors as you would like.

This event is also a great opportunity to explore double majors, minors, or certificates!

Major Tables I Plan To Visit:

-
-
-
-
-

Questions I want to ask about each major:

-
-
-
-
-

Sample questions to ask:

- What do you study in this major?
- How did you decide to major in this area?
- What do you like most about this major? What do you like the least?
- Are you involved in any student or community organizations associated with this major?
- What jobs or careers are related to this major?
- Are you doing an internship or field experience for this major? What are you doing?
- What are you planning to do with your major when you graduate?
- Is graduate school required for this major?

Notes from Majors in Minutes:

Next Steps:

- Schedule a follow-up meeting with an academic advisor in the Office of Academic Advising to discuss the majors you learned about . Call 319-273-3406 or email academic-advising@uni.edu to schedule an appointment.
- [Meet with a professor](#) to learn more about the major(s) you are interested in.
