

Welcome New Students!

Welcome to the
University of
Northern Iowa!

We at the Office of Academic Advising are excited to meet with you to assist in **connecting** you with possibilities in majors and careers, while facilitating your academic success through **transitions** and **resources**.

Your advisor is here to guide you through the exploration of majors and careers through individual appointments, campus events, and self-exploration!

Exploratory Major Events

FALL 2019

COLLEGE CONNECTIONS

Thursday, August 22 (During UNI Now)

This program will introduce you to your Academic Advisor. You will learn about being an Exploratory major, how to find a major that is a good fit, advising expectations, student responsibilities, Peer programs and Fall events.

SCHEDULE AN INDIVIDUAL APPOINTMENT WITH YOUR ADVISOR

At this appointment, your advisor will get to know you and learn more about your interests and strengths. From there, your advisor will work with you to discover and discuss potential majors.

COMPLETE CAREER CRUISING

Early/Mid October

Career Cruising is an interactive, self-assessment tool you will use as an Exploratory major. This assessment has you identify interests and matches you with potential careers.

ATTEND MAJORS IN MINUTES

Tuesday, October 22

7-9 p.m., Maucker Union

A fun, group speed-dating approach to learning more about majors that interest you by visiting with senior representatives in those majors. This is a come and go event.

PRE-REGISTRATION MEETINGS

Early November

A time to meet with your major advisor to begin planning for the Spring registration process.
