

# SPANISH

University of Northern Iowa College of Humanities, Arts & Sciences  
<https://langlit.uni.edu/>

## ABOUT THE MAJOR

A Spanish major provides students with a greatly enriched view of the world around them as well as Spanish language skills that will prove useful in many professional occupations. This major focuses on research, writing and creative and analytical thought while preparing students for professions in many areas including law, business, education, and medicine. The ability to speak a second language is highly valuable in today's workforce and can set students apart from others in their field.
