

Potential questions to ask at a job shadow:

1. What tasks and activities do you perform on a daily basis?
2. How would you describe the environment and the conditions you work in?
3. What education and training is needed for this type of job? Are there specific majors, minors, or courses you would recommend?
4. Are there specific skills needed for this job?
5. What is the job outlook for this field?
6. What is an average starting salary for this job, and what is the earning potential?
7. Are there jobs related to this one that I could consider?
8. What do you like most about this job?
9. What are the challenges?
10. Tell me about your background and path into this job?
11. What advice would you give to a student considering this as a job?
12. Is there anything you wish you would have known before you started this job?
13. Brainstorm your own questions to ask!
