

# SPANISH

University of Northern Iowa College of Humanities, Arts & Sciences

<https://chas.uni.edu/langlit/majors/spanish>

## About The Major

A Spanish major provides students with a greatly enriched view of the world around them as well as Spanish language skills that will prove useful in many professional occupations. This major focuses on research, writing, and creative and analytical thought while preparing students for professions in many areas including law, business, education, and medicine.
