What is your goal for the fall semester? What will help you reach this goal?

Next Steps:
Requirements for Political Science

Date:         Name:
Minor(s):
Plans after graduation:

Department Notes:
Our mission is to promote systematic analyses of local, national and international political processes by disseminating knowledge, equipping students with critical thinking and analytical skills, and contributing scholarly research and publication to the discipline.
Students have the opportunity to participate in our two student organizations: the Political Science Society and the Daniel Webster Law Society. In addition, the department offers a number of internship opportunities and encourages study abroad.
