

PSYCHOLOGY

University of Northern Iowa College of Social and Behavioral Sciences

<https://csbs.uni.edu/psych>

ABOUT THE MAJOR

Psychology is the scientific study of the mind and behavior. Psychology is a multifaceted discipline and includes many sub-fields of study such as human development, sports, health, clinical, social behavior and cognitive processes. Gaining a richer and deeper understanding of psychology can help people achieve insights into their own actions as well as a better understanding of others.
